

to the Editor; it must include the date and place of the proposed meeting, a list of other sponsors, a final program (including speakers), an estimate of the number and length of manuscripts, and an expression of willingness to participate in the editorial process, including the submission of manuscripts to a modified form of peer review.

#### ISN Archive

Dr. Carl Gottschalk has accepted the responsibility to establish an Archive of the International Society of Nephrology. The Archive will consist of photographs, announcements, activities, and names of Council Members and Officers of the Society. Relevant information, documents, or photographs that are pertinent to the development and evolution of the ISN will be assembled in the Archive.

Members of the ISN or other readers of *Kidney International* having such material are requested to forward it to Dr. Gottschalk at the following address: Carl W. Gottschalk, M.D., Department of Medicine 226-H, University of North Carolina, Chapel Hill, North Carolina 27514 USA.

#### MEETINGS

*The European Dialysis and Transplant Association/European Renal Association (EDTA/ERA)* will have its annual Congress in Vienna, Austria on September 5–8, 1990. For further information, contact the organizing secretariat: XXVII EDTA-ERA Congress, c/o Wiener Medizinische Akademie Alserstr. 4, A-1090 Vienna, Austria, or the scientific secretariat: XXVII EDTA-ERA Congress, c/o Doz. Dr. H. K. Stummvoll Krankenhaus der Elisabethinen, Fadingerstr.1, A-4010 Linz, Austria.

*The Second International Conference on Continuous Hemofiltration* will be held on September 10–11, 1990 in Baden, near Vienna, Austria. It is a satellite symposium to the EDTA/ERA Congress in Vienna. Topics are related to problems of all continuous extracorporeal treatments of acute renal failure. For further information, contact Prof. Dr. Med. H. Mann, Schürzelter Str. 564, D-5100 Aachen, Federal Republic of Germany. Telephone: 0049-241-87 28 20, FAX: 0049-241-87 25 78.

*The International Workshop Series on the Biology of the Kidney* will sponsor a workshop on “*Biogenesis of Erythropoietin*” in Paris on September 13–14, 1990, chaired by Dr. Franklin Bunn and Dr. Catherine Lacombe. Participation is by invitation only and is limited to 30 participants. Investigators interested in being considered should contact Leon G. Fine, M.D., Workshop Series Chairman, Division of Nephrology, Department of Medicine, UCLA School of Medicine, Los Angeles, California 90024-1689, USA. Telephone: (213) 206-6741; FAX (213) 825-6309.

*Update on Transplantation*, the 2nd Marmara Medical Days Congress, will be held in Istanbul, Turkey on September 19–21, 1990. Topics will include: renal, bone marrow, heart, liver and pancreas transplantations, and immunological and psychosocial aspects of transplantation. For further information, contact Atif Akdas, M.D., Dean, Marmara University Medical School, Haydarpasa, Istanbul, Turkey. FAX: (1) 3380277.

*The First Seminar on Renal Involvement in Systemic Vasculitis* will be held in Vimercate, Italy on September 22, 1990. Topics will include: primary vasculitis affecting the kidney, that is, Churg-Strauss syndrome, Wegener's granulomatosis, mi-

crovascularitis, and idiopathic extracapillary glomerulonephritis. The Seminar languages will be English and Italian. Participants will be mainly nephrologists, immunologists and pathologists. For further information, contact Dr. Adalberto Sessa, Unità Operativa di Nefrologia e Dialisi, via C. Battisti 23, 20059 Vimercate, Italy. Telephone: (039) 6654544.

*The 3rd Verona Seminar on Nephrology* will be devoted to the topic: “Emerging Risk Factors for the Progression of Renal Disease.” It will be held on September 27–29, 1990. Topics will include: experimental and clinical factors such as, role of lipid, ammonia, mesangium and cytokines, and pharmacological approaches to risk factors. For further information, contact Lamberto Oldrizzi, Divisione Nefrologia Medica, Ospedale Civile Maggiore, 37126 Verona, Italy. Telephone: 39/45/932521. FAX: 045/915176.

*Lipid Abnormalities in Renal Disease: Causes; Effect on Progression of Renal Damage; Dietary and Pharmacological Treatment* is an international symposium to be held in Porto Cervo, Sardinia, Italy on October 1–2, 1990. The program will consist of invited experts from Europe and the USA, and the presentation of a limited number of papers. Attendance is limited. For further information, contact Prof. Giuseppe D'Amico, Division of Nephrology, S. Carlo Hospital, Via Pio TT, 3-10153 Milano, Italy. Telephone: (02) 48705804; FAX (02) 40222222.

*The Seventh International Conference on Psychonephrology* will be held in San Francisco, California, USA on October 5–7, 1990. The latest psychosocial developments in the understanding and care of patients on dialysis and recipients of transplants will be discussed in plenary sessions, small group meetings and free communications. Topics will include: uncooperative patients, staff stress, treatment of psychological problems and ethics. Abstracts are due by September 15, 1990. For further information, contact Norman B. Levy, M.D., Director, Liaison Psychiatry Division, New York Medical College, Valhalla, New York 10595, USA. Telephone: (914) 285-8424.

*The 7th International Congress of the International Society for the Study of Hypertension in Pregnancy* will be held in Perugia, Italy on October 7–10, 1990. Events will include state of the art lectures, plenary sessions, symposia-workshops, and communication-poster sessions. For further information, contact Professor E. Cosmi or Dr. Di Renzo, via degli Olivi, 72, I-06100 Perugia, Italy.

*Renal Disposition and Nephrotoxicity of Xenobiotics* is an international symposium which will be held at the University of Würzburg on October 7–11, 1990. The meeting is jointly sponsored by the University of Würzburg and the University of Rochester, New York, USA. Topics will include: tools for studying tubule cell function and nephrotoxicity, renal disposition of xenobiotics, bioactivation mechanisms of nephrotoxic compounds, nephrocarcinogenesis and nephrotoxicity. For further information, contact (in Europe) PD Dr. W. Dekant, Institut für Toxicologie, Universität Würzburg, Versbacher Str. 9, D-8700 Würzburg, Federal Republic of Germany; (in the USA) Prof. M.W. Anders, Department of Pharmacology, University of Rochester, 601 Elmwood Avenue, Rochester, New York 14642, USA.

*The Fourth Asian-Pacific Congress of Nephrology* will be held on October 15–20, 1990 in Beijing, China. For further information, contact Professor Li Leishi, Department of

Nephrology, Jinling Hospital, Nanjing 210002, People's Republic of China.

*The 30th Annual Scientific Symposium on Kidney Disease*, sponsored by the NKFSC, will be held on October 20, 1990 in Palm Springs. Current information about nephrology and complications of chronic renal failure will be presented. Individual sessions will be held for physicians, nurses, dietitians, social workers and technicians. For further information, contact Sylvie Tarro, Kidney Foundation, 5777 W. Century Blvd., Suite 305, Los Angeles, California 90045, USA. Telephone: (213) 641-8152.

*The Second International Congress on Access Surgery for Hemodialysis, Chemotherapy and Parenteral Nutrition* will be held in Maastricht, The Netherlands, on November 15-17, 1990. Topics will focus on graft material, complications of vascular and peritoneal access, access for chemotherapy, access for parenteral nutrition, diagnostic imaging techniques and methods of treatment of complications in patients with renal failure. For further information, contact Mrs. M. Frank-Roovers, University Hospital Maastricht, P.O. Box 1918, 6201 BX Maastricht, The Netherlands. Telephone: 31-(0)-43-862101; FAX: 31-(0)-43-477645.

*The Third Annual Meeting of the Indian Society of Organ Transplantation, and CME in Nephro-Urology* has been postponed to December 8-11, 1990 at the Seth G.S. Medical College and K.E.M. Hospital in Bombay, India. For further information, contact Dr. Alan F. Almeida, Department of Nephrology, K.E.M. Hospital, Parel, Bombay 400012, India. Telephone: 4132118.

*The Third Berliner Dialyseseminar* will be held on November 23-24, 1990 in West Berlin, Federal Republic of Germany. The purpose of the meeting is to provide basic knowledge on the entire field of renal replacement therapy. For further information, please contact Professor D. K. Schaefer, St. Joseph-Krankenhaus I-Med. Abt. II, Bäumerplan 24, D-1000 Berlin 42, Federal Republic of Germany.

*The Annual Meeting of the National Kidney Foundation* will be held on November 30-December 2, 1990 at the Sheraton Washington Hotel, Washington, D.C., immediately preceding that of the American Society of Nephrology. This meeting will be part of the celebration of the Fortieth Anniversary of the National Kidney Foundation. There will be simultaneous sessions covering a wide range of topics. For further information, contact Dolph R. Chianichiano, The National Kidney Foundation, 30 East 33rd Street, New York, New York 10016, USA. Telephone: (800) 622-9010; (212) 889-2210; FAX: (212) 689-9261.

*The American Society of Nephrology Annual Meeting* will be held on December 2-5, 1990 at the Sheraton Washington Hotel in Washington, D.C., USA. For further information contact the American Society of Nephrology, Suite 700, 1101 Connecticut Avenue N.W., Washington, D.C. 20036, USA. Telephone: (202) 857-1190.

*The First Nahariya Conference on Calcium* will be held in Nahariya, Israel on February 25-27, 1991. Topics will include: modern aspects of parathyroid surgery, parathyroid hormone, calcium-immunology and cancerous diseases, calcium regulating hormone and bone, calcium antagonized drugs and calcium and renal disease. Abstracts are due by August 15, 1990.

For further information, contact Dr. Tamar Shkolnik, Western Galilee Regional Hospital, Nahariya 22100, Israel.

*The First International Symposium on Biomedical Engineering* will be held in Tutzing, Bavaria, Federal Republic of Germany on February 25-28, 1991. Papers are invited on the recent developments in "Defense and Detoxification on the Cellular Level." Topics will include: cellular reactions to foreign materials (cascades, enzymes and cytokines); nature, formation, reactions of radicals, other reactive agents and mediators; and formation, action and elimination of toxic agents and allergens. For further information, contact the Chair of Bioprocessing, University of Stuttgart, Nobelstr. 12, D-7000 Stuttgart 80, Federal Republic of Germany. Telephone: (x49) 711/970-4000; FAX (x49) 711/970-4200.

*The Second C.J. Hodson Symposium on Reflux Nephropathy* will be held in Christchurch, New Zealand on Tuesday, February 26, 1991. For further information, contact Dr. R.R. Bailey, Christchurch Hospital, Christchurch, New Zealand.

*The 27th Annual Scientific Meeting of the Australasian Society of Nephrology* will be held in Christchurch, New Zealand on February 27 through March 1, 1991. For further information, contact Dr. K. Lynn, Covenor, Department of Nephrology, Christchurch Hospital, Christchurch, New Zealand.

*The Ninth Annual Meeting of the International Society of Blood Purification* will be held June 14-16, 1991 in Nagoya, Japan. Topics of discussion will include: hemodialysis, hemodiafiltration, hemofiltration, peritoneal dialysis, plasmapheresis and all therapeutic approaches or technology involved in extracorporeal blood circulation and problems of autoblood transfusion, and related to blood banking. For further information, contact Dr. Saito, The Bio-Dynamics Research Institute of the Shinseikai Foundation, 1-3-2, Tamamizu-cho, Mizuho-ku, Nagoya-shi, 467, Japan. Telephone: 052-832-8411; FAX: 052-833-4966.

*The International Symposium on Aldosterone* will be held at Fontevault Abbey, Saumur, France on June 24-26, 1991. The meeting will be under the auspices of INSERM, and of the International Society of Nephrology, and sponsored by Searle Foundation for hypertension research. Topics will include all aspects of aldosterone action: molecular biology, biochemistry, cell biology and physiology, transport studies. The symposium will be in honor of Dr I.S. Edelman. The program will consist of invited international experts and poster presentations. Attendance is limited to 100. For further information contact Dr J.P. Bonvalet, INSERM-U 246, Dépt. Biologie, SBCe, CEN Saclay, 91191 Gif/Yvette, France (Fax: (33) (1) 69.08.80.46).

*The Second International Congress on Amino Acids and Analogues* will be held on August 5-9, 1991 in Vienna, Austria. Topics will include: analysis, separation, synthesis, biosynthesis, nutrition, cross-linking amino acids, updating of tryptophan, amino acids and the immune system (including AIDS), sports medicine, racemization, methylation of amino acids, roles for arginine, neurochemistry (excitatory amino acids, food chemistry and technology, radiated food amino acids), polyamines, renal physiology, gastroenterology, amino acids and behavior, inborn errors of metabolism, molecular biology, therapeutic implications, pharmacology, and amino acids as free oxygen radical scavengers and stable isotopes. For further information, contact Gert Lubec, University of Vienna, Department of

Paediatrics, Währinger Gurtel 18, A 1090 Vienna, Austria. Telephone: (222) 23 40 424; FAX (222) 40 400 3238.

*The Eighth International Congress for Stereology* will be held on August 25–30, 1991 at the University of California, Irvine (UCI). The Society fosters interdisciplinary communication between all those who are interested in analysis of planar images *per se* and 3-dimensional probes of materials. Topics will include: aspects of image analysis, image processing, mathematical morphology, geostatistics, stochastic geometry, and 3-D microscopy. For further information concerning the Congress and ISS membership, please contact Paul McMillan, Anatomy Department, LLU, Loma Linda, California 92350, USA. FAX: (714) 824-4577.

*The Sixth International Congress on Nutrition and Metabolism in Renal Disease* will be held in Harrogate, United Kingdom on August 26–30, 1991, immediately preceding the European Dialysis and Transplant meeting in Belgrade on September 2–5, 1991. For further information, contact Joel D. Kopple, M.D., Division of Nephrology and Hypertension, Harbor-UCLA Medical Center, 1000 West Carson Street, Torrance, California 90509, USA, or A. Meguid El Nahas, M.D., Sheffield Kidney Institute, Northern General Hospital, Herries Road, Sheffield, S5 7AU, United Kingdom. Telephone: 0742-434343 (ext. 4017); FAX 0742-560472.

*The XXVIIIth Congress of the European Dialysis and Transplant Association—European Renal Association (EDTA/ERA)* will be held on September 1–4, 1991 in Belgrade, Yugoslavia. For further information, please contact the Organizing Secretariat, YUGOTOURS, Congress, Incentive & Exhibition Dept., Djure Djaković 31, 11000 Belgrade, Yugoslavia. Telephone: 38 11 / 763-028, 764-622; FAX 38 11 / 766-447; Telex: 11000. 12902.

### Forefronts in Nephrology

*Newer Aspects of Renal Cell Injury*, a symposium sponsored by the International Society of Nephrology, will be held in Chatham, Cape Cod, Massachusetts on October 6–9, 1991. Topics will include structural alterations in renal injury, the role of proteases and heat-shock proteins, metabolic alterations including phospholipase activation, the roles of calcium, gene activation and repair, and synergy between hypoxic and toxic injury. Poster sessions will be included. This Symposium is chaired by Drs. Franklin H. Epstein and Lazaro Mandel. Attendance is limited. For further information, please contact Dr. Franklin H. Epstein, Department of Medicine, Beth Israel Hospital, 330 Brookline Avenue, Boston, Massachusetts 02215, USA. Telephone (617) 735-4104.

*The VIII Congress of the Latin American Society of Nephrology* will be held at the Casa de la Cultura Ecuatoriana, Quito, Ecuador on October 20–24, 1991. Topics will include: renal physiology, acute renal insufficiency, chronic renal insufficiency, dialysis and transplantation, mineral metabolism and nutrition, arterial hypertension, and clinical nephrology. For further information, contact the Secretariat of the Organizing Committee, P.O. Box 11495 CCNU, Quito, Ecuador, South America. FAX: (593-2) 554947.

*The 1991 American Society of Nephrology Annual Meeting* will be held on November 17–20, 1991 at the Baltimore Convention Center, Baltimore, Maryland. For further information contact the American Society of Nephrology, Suite 700, 1101

Connecticut Avenue, N.W., Washington, D.C. 20036. Telephone: (202) 857-1190.

*The III International Conference on SLE* will be held in the Queen Elizabeth II Conference Centre, Westminster, London, United Kingdom on April 13–15, 1992. For further information, contact Dr. Graham Hughes, Rheumatology Department, St. Thomas' Hospital, London SE1 7EH, England, United Kingdom. Telephone and FAX number: (01) 633-9422.

*The Third European Symposium on Uroradiology Imaging and Intervention* will be held at Herlev Hospital, University of Copenhagen, Denmark on August 24–27, 1992. Topics will include: ESWL and intervention in renal calculi, pediatric uroradiology, renovascular hypertension, glomerular filtration rate, MRI in uroradiology, lower urinary tract cancer, female genital radiology, and scrotal imaging. For further information, contact Henrik S. Thomsen, M.D., Herlev Hospital, Herlev Ringvej 75, DK-2730 Herlev, Denmark. Telephone: 45 44 53 53 00 ext. 278; FAX 45 44 53 53 32 (Herlev Hospital).

*The 1992 American Society of Nephrology Annual Meeting* will be held on November 15–18, 1992 at the Baltimore Convention Center, Baltimore, Maryland. For further information contact the American Society of Nephrology, Suite 700, 1101 Connecticut Avenue, N.W., Washington, D.C. 20036. Telephone: (202) 857-1190.

*The 1993 American Society of Nephrology Annual Meeting* will be held on November 14–17, 1993 at the Hynes Convention Center, Boston, Massachusetts. For further information contact the American Society of Nephrology, Suite 700, 1101 Connecticut Avenue, N.W., Washington, D.C. 20036. Telephone: (202) 857-1190.

*The 1994 American Society of Nephrology Annual Meeting* will be held on November 6–9, 1994 at the Baltimore Convention Center, Baltimore, Maryland. For further information contact the American Society of Nephrology, Suite 700, 1101 Connecticut Avenue, N.W., Washington, D.C. 20036. Telephone: (202) 857-1190.

### Continuing Education

The 13th Annual Postgraduate Medicine Course on *Renal Biopsy in Medical Diseases of the Kidney* will be held on October 10–13, 1990. This course is approved for 23.5 credit hours in Category 1 of the A.M.A.'s Physicians' Recognition Award. The fee of US\$595 (Resident's and Fellow's fee: \$395) includes a syllabus, luncheon and refreshments. For further information, contact Center for Continuing Education, College of Physicians & Surgeons of Columbia University, 630 West 168th Street, New York, New York 10032, USA. Telephone: (212) 305-3682.

*The 1991 Critical Care Medicine Examination*, sponsored by the American Board of Internal Medicine, will be held on November 5, 1991. The registration period is from January 1, 1991 through April 1, 1991. For information and application forms, please contact the Registration Section, American Board of Internal Medicine, 3624 Market Street, Philadelphia, Pennsylvania 19104, USA. Telephone: 1 (800) 441-2246.

### National Societies

The Secretary General of the *International Society of Nephrology* is endeavoring to bring the Society's list of national

societies up-to-date. Many such national societies are not affiliated with the ISN or their affiliation has lapsed. To retain their affiliated status and to vote at the General Assembly, a list of individual members is required to be sent annually. Secretaries of national societies therefore are asked to provide the Secretary General with the address to which correspondence should be sent, together with a list of their officers and individual members, and a formal application for affiliation where this has lapsed. Please send these to Dr. Claude Amiel, Département de Physiologie, Faculté de Médecine Xavier Bichat, 16 rue Henri Huchard, 75018 Paris, France.

*The American Society of Nephrology* announces a service to its non-American colleagues. For an annual fee of US \$55, the ASN will send its mailings and announcements, including a copy of the annual abstract book (first class rates only). Checks for \$55, drawn only on a US bank, along with your name and desired mailing address should be sent to the ASN National Office, Suite 700, 1101 Connecticut Ave., NW, Washington, DC 20036.

#### AWARDS AND GRANTS

##### 1990 ISN's International Fellowship Training Awards

##### Honorary (no stipend)

Miriam Echevarria from Instituto Venezolano de Investigaciones Científicas, Caracas, Venezuela to go to University of

California, San Francisco, CA, USA with Alan S. Verkman, M.D. (Home Country support US\$17,000/year.)

Luiz Antonio Ribeiro de Moura from Escola Paulista de Medicina, Sao Paulo, Brazil to go to Harvard Medical School, Boston, MA, USA with Helmut G. Rennke, M.D. (Home Country support US\$18,000/year.)

##### Supplemented

Remedios Dee Chan from University of Santo Tomas, Manila, Philippines to go to Albert Einstein College of Med., NY, USA with Adrian Spitzer, M.D. (Home Country support US\$12,000/year.)

##### Regular fellowships

Borut Cizman from University Medical Center, Ljubljana, Yugoslavia to go to University of Pennsylvania, Philadelphia, PA, USA with Michael P. Madaio, M.D.

Anant Kumar from Sanjay Gandhi Post-Graduate Institute of Medical Sciences, Lucknow, India to go to Monash Medical Centre, Melbourne, Australia with Vernon C. Marshall, M.D.

Bertha Elia Martinez-Hernandez from Hospital de Especialidades del Centro Medico La Raza, Mexico to go to The Royal Free Hospital, London, UK with John F. Moorhead

#### ISN's International Fellowship Training Awards

Names	Origin country	Institution in which training took place	Start date
<b>1985</b>			
Zhan Jin Hong	PRC	Australia, Victoria (Kincaid-Smith)	07/01/1985 2nd year
Chen Hua	PRC	USA, Minnesota (A.F. Michael)	10/01/1985 2nd year
Kyo Sun Kim	Korea	USA, Boston (W.E. Grupe)	07/01/1985 one year
Zhen Fa Lei	PRC	Belgium, Edegem (E. de Broe)	09/30/1985 2nd year
Mohamed Nzsution	Indonesia	The Netherlands, Groningen (G.K. van Der Hem)	07/01/1985 one year
Romualdo Pacheco Prada	Peru	France, Paris (H. Kreis)	07/01/1985 one year and 4 months
<b>1986</b>			
Alarcon Araya	Chile	USA, Miami (J.J. Bourgoignie)	01/10/1987
Joel Elises	Philippines	UK, Birmingham (C.M. Taylor)	07/01/1986 2nd year
Radi Hamed	Jordan	Canada, Toronto (C.S. Arbus)	07/01/1986 2nd year
Prabha Senguttuvan	South India	UK, London (C. Chantler)	11/05/1986 2nd year
Jose Suassuna	Brazil	UK, London (J.S. Cameron)	01/01/1987 2nd year
<b>1987</b>			
Chi-jiang He	PRC	France, Paris (J.D. Sraer)	11/18/1987 2nd year
Pius Inegbedion Odigi	Nigeria	FRG, Munich (K. Thurau)	02/03/1987 2nd year
Xin-Xia Zhen	PRC	USA, Boston (T.B. Strom)	09/01/1987 2nd year
<b>1988</b>			
Dakshinamurthy Divakar	India	New Zealand (R.R. Bailey)	09/17/1988 2nd year
Shun-mei Liu	PRC	USA, New York (A. Spitzer)	09/11/1988 2nd year
Seth Oumah Mc'Ligeyo	Kenya	UK, London (J.S. Cameron)	03/14/1989 one year
Nidia Pernalet	Venezuela	USA, Missouri (S. Klahr)	09/01/1988 2nd year
<b>1989</b>			
Anthony Bamidele Bello	Nigeria	FRG, Essen (H. Olbing)	10/01/1989 2nd year
Eden Aristides Romero Mora	Ecuador	Italy, Milano (C. Ponticelli)	
Gültekin Süleymanlar	Turkey	USA, Denver (L. Chan)	08/01/1989 2nd year
Rosa Edith Varga Rios	Colombia	France, Paris (M. Broyer)	10/01/1989 2nd year
Min-xia Wang	PRC	Australia, Victoria (Kincaid-Smith)	12/01/1988 2nd year
Xiaonan Wang	PRC	USA, Denver (R.W. Schrier)	12/01/1989 asked for second year
Anthony Jude Di Were Omolo	Kenya	UK, Manchester (R. Gokal)	06/01/1990
<b>1990</b>			
Borut Cizman	Yugoslavia	USA, Philadelphia (P.P. Madaio)	
Remedios Dee Chan	Philippines	USA, New York (A. Spitzer)	
Anant Kumar	India	Australia, Melbourne (V.C. Marshall)	
Bertha E. Martinez-Hernandez	Mexico	UK, London (J.F. Moorhead)	
Brian Jude Gerard Pereira	India	USA, Boston (N.E. Madias)	
Mario Javier Zarama-Medina	Colombia	Australia, Melbourne (R.C. Atkins)
